SUPPLEMENTAL RESPONSE TO ELECTION REQUIREMENT

Sir:

REMARKS

Record is made of a telephone conference with Examiner Teresa D. Wessendorf at which the election requirement was discussed. Applicants' attorney confirms that the species "src homology 3 (SH<sub>3</sub>) designated in claim 2 is elected for further prosecution in this case. The generic claims are claims 1, 6, 10, 13, 28 and 29. On the indicated allowance of a generic claim, the applicant will argue the allowability to them of the other non-elected species.

Respectfully submitted,
